

Andes Art Company Limited is an entertainment company established in 1994 (previously known as **Andes Art Company**). In the 22 years of our existence we are proud to have established a strong business network within the entertainment industry in Hong Kong.

We are proud to say that 22 years of non-stop business relationship with **Ocean Park** is one of our greatest achievements.

We keep our entertainment authentic and have traveled around the world to find that right entertainment for the right events.

We were the pioneers of providing music from the Andes to Hong Kong with **Cirilo & Ayni Group** from **Son de Jalisco** Bolivia,

was the first authentic Mexican Mariachi band performing in Hong Kong and proved to be a big hit for

Ocean Park

• **Mexicanísimo**

was also the first Mexican dance group to perform in

Ocean Park

Since then Andes Art Company has provided a wide variety of entertainment from all parts of the world for **Ocean Park**. **Latin Beat** is a regular feature at **Ocean Park** performing Mariachi and Caribbean music. Other talents from Latin America were found and such bands as the versatile **Son Latino** and the

Chili Salsa

make their mark on

Ocean Park

Some of the other bands that we have provided **Ocean Park** is **Yoyo** our marching band, the **African Djembe** from Senegal, the

Polynesian Revue Show

from Tahiti and the

Steel Drums

from France.

We regularly cater for special themes at the Park for such events as Halloween with the unique

Headless band

and Christmas with Santa talents.

All our entertainment comes complete with colorful costumes and exotic instruments. We have had the honor to have created many happy moments for our much-valued clients including

Ocean Park

. We look forward to bringing more memorable moments in the future to come!
