[African Duo \(Dance & Music\)](#)

[Limbo Dance](#)

Our African dance show is certain to make your event memorable. While the powerful drumming strikes, our dancer performs a "Soli" & a "Kuku" dance.

Guests are invited to participate with some simple dance movements: moving their body & expressing themselves through dance.

The performance is a mix of music and dance with participation of the audience.

Perfect show for parade, carnivals and outdoor events.
